MEMORANDUM FOR: Deputy Director for Administration
FROM : Robert W. Gambino
Director of Security
SUBJECT : Office of Security Significant Activities -
Week of 17 December 1976
REFERENCE : DDA Administrative Instruction No. 74-5

1. This memorandum is for information only.

2. The activities of the Office of Security during the week of 17 - 23 December 1976 were highlighted by the following items:

a. On 17 December 1976, an Office representative hosted a presentation for members of the Office of Data Processing and the Office of Research and Development concerning a [REDACTED] research effort being conducted by [REDACTED]. [REDACTED] first representatives presented a [REDACTED] plan to modify phase of their three phase developmental plan to modify a VM 370 computer to permit a secure multi-level operating system. In effect, such a development will allow control of access to various levels of classified information stored within a computer.

b. On 19 December 1976, the Office of General Counsel advised, after consultation with the Office of General Counsel of the United States Postal Service, that caller service fees can no longer be waived. It is noted that other government agencies also have requested such waivers, but to no avail. The effect of this decision [REDACTED] the annual costs of the Office [REDACTED]

c. At the request of representatives of the National Archives, a Office member accompanied a team of archivists to Ann Arbor, Michigan on 22 December 1976. The team inspected a temporary repository made available by the University of Michigan for the storage of President Ford's Presidential papers until such time as a permanent "Ford Library" can be constructed on the University campus.

d. On 23 December security support is being rendered the DCI in connection with an appearance before the Senate Foreign Relations Committee.

e. An Office of Security representative is continuing to provide support to President-elect Carter in Plains, Georgia.
